

C. Fill in the squares with the appropriate information. Use the systematic (IUPAC) name.

NAME	chloride	hydroxide	nitrate	carbonate	sulfate	sulfite	sulfide	phosphate
hydrogen								
sodium								
potassium								
calcium								
aluminum								
ammonium								

FORMULA	chloride	hydroxide	nitrate	carbonate	sulfate	sulfite	sulfide	phosphate
hydrogen								
sodium								
potassium								
calcium								
aluminum								
ammonium								

NAME	bromide	acetate	bisulfite	bicarbonate	nitride	nitrite	nitrate	phosphate
cuprous								
cupric								
ferrous								
ferric								
plumbous								
plumbic								

FORMULA	bromide	acetate	bisulfite	bicarbonate	nitride	nitrite	nitrate	phosphate
cuprous								
cupric								
ferrous								
ferric								
plumbous								
plumbic
